Pekin & Pekin - International Legal Alliance's Gold Turkish Law Firm of the Year 2010

Continuing a year of achievements, AEL member firm for Turkey, Pekin & Pekin, adds the International Legal Alliance Gold award to its collection. At the ceremony in Paris judges were impressed by the Firm's breadth of cross-border M&A and Corporate Finance deals, and the ability of the teams to deliver workable solutions when faced with complex deal structures and varying client and counterparty objectives.

The award follows a busy awards season with Pekin & Pekin winning for the first time International Tax Review's Turkish Tax Firm of the Year 2010 (a first for a local law firm), regaining the title International Financial Law Review's Turkish Law Firm of the Year 2010 and taking home both Project Finance's Metals Deal of the Year 2009 and GTR's Trade Finance Deal of the Year 2009 for the MMK steel deal.
